Investing or Gambling?

- Speculating: high risk/high reward
e.g. mining sector

ROI: 1 in 10 will give you 10X

- Angel (private) investing: 27% (Wiltbank Study)

ROI: 10 in 1 will give you 2X

Are you happy with 15% annual ROI?

Angel Investing 101

Distribution of Returns by Venture Investment

Study by Rob Wiltbank, Willamette Univ.

Can YOU be an Angel?

Don't break the Law!

Private Companies can NOT legally sell shares to *anyone*

You can only invest if you qualify for an “exemption”

- e.g. -if you are a millionaire (excluding your home)
- friend or family
- invest a minimum of \$150,000
